legs and torso of civilization. It was from the Egyptians that the sustain your view. Caesar and Fred-Greeks obtained their knowledge of wrestling. The figures in the Beni great statesmen as well as great gen-Hasan tombs prove this. The Greeks were the greatest fighters of those in State's prison. It appears that this promptly. "I speak of the proper rule days, and it was but natural that they adopted sports as a means to develop their physical condition; hence it was that at their games held at Olympia "But Washington was both and yet and elsewhere at stated intervals wrestling was part of the program. At these games the champions of the friendly nations met in rivalry. There was great glory attached to a victory. The successful competitor was treated like a hero. His return to his native land and his entry into his home city

The Olympic games-their revival dates from 776 B. C .- were held every were started as a religious festival in honor of Jupiter, but the games, like the play, soon became the thing, and sembled there just to see the sport. It was in the eighteenth Olympiad, tling was established. Eurabatos, a

Spartan, was the victor. He carried or, in serious cases, of expulsion from off the prize, a crown of wild elive the country. In order to obtain this made from a tree which stood within It will be seen from this that wrestling is one of the oldest sports, pastimes, means of attack or defense, call Nobody in Kentucky was ever sentenc- ceives a permis de cejour for a period glowing description of the encounter are docketed in the town hall, he re- To Homer we owe that glittering, hampion of every art and wile. Hoessed many great wrestling bouts in An exception is made in favor of the Greek cities. In his "Illad" he

bout between Ulysses and Ajax. Nor is that all. In the convulsions of strife which followed among the fighting warriors, down through many hnotic changes out of which empires rose and fell along the path of time, in periods dull, creaking, rude and gross down to the present decade, wrestling was known, understood and played its part. That Shakespeare in his day realized its popularity and unde use of it is evident in that scene between Orlando and the duke's wresler in "As You Like It." Although he play was supposed to take place in rance, the wrestling in this scene is a eproduction of that practiced in Eugand at that time.

In the long time that wrestling has sold sway there have been many styles -catcle as-catcb-can, Greco-Roman, colar and elbow, recumbent and upright Ferminology of wrestiling terms is meager. The names in many instances were purely local—as, for in-stance, Cumberland and Westmoreand, which in this country is called back wrestling. Collar and elbowwrestling originated in the counties of
